We use a methodical, basics-first approach to guide you easily through challenging course material. 44 years of successful resultsComprehensive study guidesGraded questions, solutions and study notesExam questions and full solutions The pressure of high school exams can be scary, and sometimes all that work can seem downright impossible. We understand. That's precisely why we created The Answer Series – To light the way and allow you to prepare fully to get the grade you want. I went from getting no A's to getting straight A's thanks to The Answer Series.LEARNER Our study guides are created by teachers just like you, people who know all about the ever increasing demands of this job. We know it's about much more than just teaching great lessons. It's working long into the evenings, planning, grading, writing feedback, worrying about learners, and talking to parents. My task as a teacher preparing learners for the public examinations has been a relatively easy one due to the invaluable use of The Answer series books.TEACHER Maths teacher Anne Eadie created The Answer Series when she first became a full time mother. Even though she would no longer work in the classroom, she promised to keep improving the lives of young learners. Good things stay forever – I bought the answer series back in 1988 and I did so well in matric. I lost touch with you for about 20 years until now when I am searching for study guides for grade 10 for my daughter. I remembered the name and searched for it on Google, to my surprise I found your page. I will recommend The Answer series to my friends at my daughter's school.PARENT There are outstanding organisations in South Africa dedicated to helping our learners boost their education and results. Supporting them is our highest priority social investment. Last year we gave 3000 books away at crash-boom discounts to these tremendous organisations. CONTACT US TO FIND OUT MORE TAS has given over 10,000 books, out of our own pockets, to under-performing schools in South Africa. For those that embraced the gift, despite their socio-economic challenges, we saw staggering results. E.g. Reuben Ntuli READ MORE The Answer Series study guides are celebrated by teachers and learners throughout South Africa. Here's what they have to say: I have been through many study guides, but The Answer Series outwits them all! Outstanding explanations, examples and exercises! Thank you! You really have made the books user friendly for pupils and most comprehensive, not only for pupils to use for revision, but even for teachers to pick up good methods. My Maths teacher recommended The Answer Series to me. I also purchased the Life Sciences book, and they both helped me greatly, and definitely increased my marks. I recommend The...
